PROFESSIONAL EXPERIENCE

Software Developer, CAD+T Consulting GmbH

2023 Oct – present
Coimbatore, India

- **Optimized** 3D Furniture simulator (Three.js), reducing draw calls from **7000+ to 7** per frame, network calls from **80+ to <5**, and loading times from **7 mins to <8s**. Used geometry merging, custom **shaders**, mesh **batching**, and texture/material *sharing*, resulting in consistent **60 FPS**.
- **Implemented Path-Tracing** with custom workflow and **Developed** machining operations enabling cut-outs (e.g., CNC machines, Mitres) using **CSG**.
- **Implemented** lighting setups, **HDR/shaders** integration, enhancing rendering accuracy.
- **Fixed** critical bugs affecting 2D / 3D simulations, and **enhanced** UX through better visual cues.
- **Architected** an end to end 3D rendering pipeline for the core engine powering all simulations and a 3D Room Planner.
- **Supported** and guided a **cross-functional** team while managing individual deadlines.

PROJECTS & OPEN SOURCE CONTRIBUTIONS

Technical Creative Projects Showcase, *Explore my projects with descriptions and visuals*

<https://github.com/irrevocablesake> 

Open Source Contributions

Link: <https://projects.blender.org/irrevocableSake> 

Learnt: Hands-on experience with Real World implementations of Vulkan, OpenGL, C++ and Python

Info: Recently began contributing to **Blender** to enhance skills and give back to the community

Notable Project:

▪ **Quasar**

Link: <https://github.com/irrevocablesake/Quasar> 

Learnt: PathTracing, BRDFs, BVH, Lighting, Textures, Geometry and Motion Blur

Info: Advanced CPU Ray Tracing Engine

SKILLS

3D Graphics Libraries / APIs

Three.js, Vulkan, SDL, GLFW, Blender

Languages

Javascript, C++, GLSL / SLANG

AWARDS

Best Performer, CAD+T Solutions GmbH

2025

Rated as **Best Performer** in Annual Review

Felicitation with Gift, CAD+T Solutions GmbH

2024

- **Mentored professors** on JSReports as part of a company's initiative to bridge gap between university curriculum and industry standards

Trophy and Certificate, KBP College

- Got **trophy** and **certificate** for achieving 1st rank, in the First Year of Degree
- **Honorable** mention for achieving 2nd rank (in 3rd Year of Degree) during convocation

EDUCATION

Bachelors of Science in Computer Science, KBP College

2019 – 2022

CGPA for six semesters: 9.92 / 10

Navi Mumbai, India

Related Modules: Calculus, Probability Theory, Image Processing, .Net, Web Dev, Comp Networks, Game Programming
